

**Monday 15th April - #ACTCC8 Crossing Cultures - Press Release
FOR IMMEDIATE RELEASE**

ACT Cultures Cross the County Line

Hello Derbyshire

ACT's 8th Cultures Crossing event is stepping across the county line from its home in Beeston, Nottinghamshire to Long Eaton in Derbyshire just three and a bit miles down the road for April's ACT monthly cabaret revue style evening. Yes Long Eaton is in Derbyshire!

#ACTCC8 is being held at Bennett's Bar Hotel and Restaurant on Derby Road on Wednesday 24th April. Doors open at 6pm.

Andy Coring owner and manager of Bennetts loved the idea of showcasing local talent and championing local business agreeing to host the event and says "I'm going to share it with my regular dinners and a local Rotary Club, the DawnBreakers who use the venue as a meeting hub."

Marysia Zipser, Art Culture Tourism's founder says "I love incorporating international cultural diversity to our Cultures Crossing performance networking evenings to showcase the local creative communities involved."

"I enjoy promoting people and places as it results in both tourism and business opportunities. My network just grows and grows" she continued.

Marysia, has a mission, to make Beeston UK's Art & Culture capital by taking her Cultures Crossing cabaret revue style evenings to as many local hospitality venues as she can.

Past Cultures Crossings have been produced in association with local Long Eaton resident and business owner Caron Lyon of PCM creative media who is delighted ACT is visiting her home turf. "It's an opportunity to meet and greet locals, showcasing ACT so they can attend and experience the Cultures Crossing hospitality Marysia Zipser always rolls out."

Caron goes on to marvel "In January I discovered Berliner Bar in Beeston where NottsTV filmed. Marysia is a regular now on the cable channel's Ey Up magazine programme. Then in February, Synergy NG9 in Chilwell, another new venue for me and then March took us in to Nottingham City Centre for the first time hosted by Dee Miller owner of Minor Oak Coworking in Sneinton Market."
