

THE YEAR OF THE ROSES 2021 ANNO DELLE ROSE 2021

A C T
ART • CULTURE • TOURISM

International Initiative - Be part of our Roses wellbeing experience dedicated to the Queen of Flowers!

Please send your photos of roses with a description of what they mean to you.
Closing date: 30th September 2021.

This project is dedicated to roses in all their aspects, shapes and colours. You can send images of roses and gardens as photographs, drawings, paintings, crafts...whatever form.

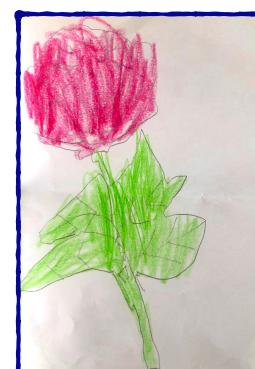

They can be documented in different situations e.g. gardens, interiors, furnishings, decorations, setups for events, celebrations etc.

Free entry from around the World - All ages - Individuals - Groups (including family & school groups) and associations. Classes and schools can participate in full freedom individually, or with their own class.

Here's our first primary school entry received from Pico, Italy, using celery stalks and leaves!

Here is our first English schools entry by Wasif Chohan received from Earlsfield Primary School, London

Wasif story ~
"I like red roses because they smell very nice"
