## Frascati

### MAY 4 - THURSDAY

Your private assistant will meet you at Roma Ciampino airport at 01:00 pm and escort you to the parking where a private bus will be waiting you for the transfer to the Cacciani hotel in Frascati. Check into your rooms and time at disposal for lunch on your own. In the afternoon, meet your guide and go for a walking tour of the centre of Frascati. The town is considered to be the pearl of the Roman Castles area for both the splendid natural environment in which it is located and its historical

importance. It boasts relevant archaeological sites and religious monuments, but its most famous feature is surely the presence of the famous Ville Tuscolane, a series of splendid villas built by Roman cardinal and noblemen from the XVI century onwards as a proof of their importance. After the visit, you will have the rest of the afternoon free to visit the town on your own. Dinner at the hotel and overnight stay.

## Castel Gandolfo

### MAY 5 - FRIDAY

After breakfast, meet your guide in the foyer of the hotel and depart for a full day trip of the Roman Castles area. The morning will be fully dedicated to a visit of Castel Gandolfo, beautiful lakeside town characterized by the namesake Apostolic Palace, summer residence of the popes. Given the strict regulations coming from the Vatican, your guide will not be allowed to speak inside the palace where she will be substituted by audio-guides. The morning visit ends with a tour of the gardens of the palace.

After that, you will move to the splendid winery of Donnardea, where you will enjoy a wine tasting and a light lunch based on typical products in close contact with nature.

After lunch, visit of another important town of the area: Ariccia. The centre of the town is very interesting for its historical and architectural value (here you will admire some of Bernini's masterpieces), and also for its Fraschette, typical taverns

where you can taste the gastronomic symbol of the town: porchetta. The tour ends with a visit of the splendid Palazzo Chigi including its two floors and the Museum of Baroque. Return to Frascati, dinner at the hotel and overnight stay.

# Garden of Ninfa

## MAY 6 – SATURDAY

After breakfast, meet your naturalistic guide in the foyer of the hotel and depart for the Garden of Ninfa.

The ancient settlement of Ninfa was named after the nymphaeum, a temple located on an island in the small lake where Nymphs were believed to dwell. The ruins of the village are still clearly visible and made even more fascinating by the surrounding nature. The tour proceeds with a visit of the splendid garden of Torrecchia Vecchia, a jewel unknown to the most that will leave you breathless.

After an in-depth visit of these gardens, you will move to the hilltop town of Sermoneta, stopping along the way for a visit of the beautiful Valvisciolo Abbey.

Last stop in Fossanova where, after a visit of the town, you will indulge in a typical dinner in a restaurant with a view on the magnificent Abbey of Fossanova.

After dinner, transfer to the hotel and overnight stay.

## Shopping

## MAY 7 – SUNDAY

After breakfast, check out at the hotel and leave your luggage there until departure.

Morning free to visit the town on your own and go for some shopping. The itinerary has been studied accurately in order to match the departure date with the only day of the month in which the antiquity market takes place.

Departure from Frascati by private bus at 12:00 am. Upon arrival at Roma Ciampino (about 30 minutes ride), you are immediately met by your assistant who will help you orientate inside the airport.
